The cover should be duly super scribed with NIB No. and due date and may be submitted either personally or by registered post addressed to DC Dhanbad.

5.5 Scope of work

The scope of work includes design, manufacturing, testing, supply, installation and commissioning of Desktop, Servo stabiliser, Preparation of Earthing, indigenous Solar Power Pack/ Solar Mains-Hybrid System including packing and forwarding, transportation, transit insurance and 5 years warranty on the complete system and delivery on FOR destination/ sites.

5.6 Price

The bidder shall quote his price as per schedule of items of work. The contract price & units rates shall be firm and bindings and shall not be subject to any variation except for statutory variation of taxes and duties during the contractual completion period. The price shall be inclusive of all taxes, duties and levies including Jharkhand Vat etc. as on the date opening of tender. The price shall also include manufacturing, inspection, supply, transport, insurance, handling erection at site, testing, commissioning & 5 year warranty. All applicable charges for taking necessary clearance such as commercial tax, road permit etc. wherever required are included in the contract price.

5.7 Performance Guarantee

The contract shall furnish Bank Guarantee from a Nationalized Bank/ Scheduled Bank for an amount equate to 5% of the order value against performance guarantee for the due & faithful performance of the agreement along with their terms and conditions. On due completion of work in all respects the earnest money and all payments due will be returned to the vendor.

5.8 Payment terms and conditions

Subject to any deduction which DC Dhanbad may be authorized to make under this contract, the

contractor shall be entitled to payment as follows :-

An amount equivalent to 90% of the contract value of the items will be paid after completion of supply. Another 10% of the contract value will be released after complete installation.

5.9 Liquidated damages for delay in completion

If the supplier fails in the due performance of the contract to deliver any part of the equipment or complete the work within the time fixed under the contract or any extension thereof granted to him by DC Dhanbad and/or to fulfill his obligations in time under the contract, he shall be liable to pay to DC Dhanbad as pre-agreed liquidated damages a sum equivalent to ½ % of total contract value per week of such delay or part thereof, subject to maximum of 3% of the total contract value. The liquidated damages for delayed completion shall be recovered from the supplier's bill or security deposit.

6.0 Assignment/ Sub-letting

The contract shall not without the prior consent in writing of the purchase, assign or sublet or transfer his contract or a substantial part thereof provide that any such consent shall not relieve the contractor from any obligation, duty or responsibility under the contract.

6.1 Force Majeure conditions

In the event of either party being rendered unable by force majeure to perform any obligation required to be performed by them under this agreement, relative obligation of the party affected by such force majeure shall be treated as suspended during which force majeure clause last. The term force majeure shall have herein mean riots (other than among the contractor's employee), civil commotion, war (whether declared or not), invasion, act of foreign enemies hostilities, rebellion, insurrection, military coup to usurp power, act of god such as earthquake, lightening, floods, fires not caused by contractor's negligence and other cause which the contractor has no control and accepted as such by the DC Dhanbad, whose decision shall be final and binding. If the work are suspended by force majeure conditions lasting for more than 45days, the purchasers shall have the option of canceling this contract in whole or part thereof, at its discretion. The contractor shall not claim for compensation for force majeure conditions.

6.2 Completeness of Tender

All fittings, assemblies, accessories, hardware items, civil & electrical works & safety devices as required shall be deemed to have been included in the tender, whether such items are specially mentioned in the BOQ are not.

6.3 Compliance with regulations

The contractor shall comply with all applicable laws or ordinances, codes approved standards, rules and regulations and shall procure all necessary municipal other statutory bodies and government permits & licenses etc. at his own cost.

6.4 Award of contract

The contract/order shall be awarded to techno-commercially acceptable & lowest evaluated bidder as per the purchase policy of the state.

6.5 Agreement

The supplier have to enter into an agreement in the office of the Director, DC Dhanbad, in prescribed format before commencement of supply.

6.6 Arbitration

All disputes would be settled within Dhanbad jurisdiction of court of law only. All arbitration cases would only be settled under Arbitration & conciliation Act but at Dhanbad only.
